PA. AUDITORS RECOMMENDING CORRECTIONS IN FISCAL WORK

More than a score of recommendations for the use of corrected or improved procedures in handling school finances are made in the report of the recent audit of the accounts of the Littlestown Joint School District and its member districts by the office of the state auditor general.

The audit covered the year that ended July 6, 1958, in which the school districts in that jointure received more than \$304,000 in state appropriations.

The audit, made under provisions of the fiscal code, cover Germany Twp., Littlestown borough, Mt. Joy Twp., Mt. Pleasant Twp. and Union Twp. Germany Twp. with nine recommendations for changes in procedure topped the list.

ADVISE BETTER PROCEDURE

Copies of the results of the audit go to the governor, the Department of Public Instruction and to the local school boards.

In Littlestown borough, the auditors found no surety bond was carried by the board secretary or treasurer and the depository had not furnished a bond nor rendered monthly statements. The board also overspent its budget for the year covered by the audit. The auditors recommended use of pre-numbered checks, the coding of checks according to classification, the retention of worksheets used in reconciliation of book to bank accounts and notation in the minutes that public notice was given on the proposed budget.

The Germany Twp. report noted that neither the secretary nor treasurer had been required to furnish bond, that the budget was overspent, that the bank did not furnish bond or collateral, that entries in account books of the district were written in non-permanent form, that some year-end transactions were recorded in the following year and that checks were not pre-numbered and in some cases the same numbers were assigned to several checks.

RECORDS INADEQUATE

The recommendations for compliance with state law included: The coding of checks, deposit of cash as soon as possible after receiving it and posting related entries in chronological order, the

TWO CRASHES OVER WEEKEND

A search for a route marker led to \$275 damage to a car and injury to a passenger Saturday evening at 7:45 o'clock.

Borough police said Roy C. Bacher, Pittsburgh, was driving west on Chambersburg St. At the intersection with Buford Ave. Bacher passed a car which had halted in the center lane for a red light, and before turning into Buford Ave., as permitted by the green arrow on the traffic signal, Bacher stopped his car to look for the route number before proceeding.

Police said Donald H. Cleveland, 23, McConnellsburg, driving a tractor-trailer, was following the Bacher car and when it stopped Cleveland was unable to halt his "rig" quickly enough and it smashed into the rear of the Bacher sedan causing \$275 damage to the smaller vehicle, none to the truck.

Burness D. Bacher, Pittsburgh, a passenger in Bacher's car, suffered a sprained neck, but refused to go to the hospital for treatment, police said.

The accident was one of two investigated by borough police over the weekend. Sunday evening at 5:45 o'clock at the intersection of York and Fifth Sts. two cars collided causing \$250 damage. Police said Dean R. Harrison, Wrightsville, was driving east on York St. and Arnold Lee west when Shindlerdecker attempted a left turn and the two autos collided. Damage was estimated at \$200 to Harrison's car and \$50 to Shindlerdecker's.

EASTER SEAL SALES UP

Returns from Easter seal sales, received up to Saturday, now total \$2,130.30, it was reported today by the Easter Seal sale chairman, Mrs. Edgar K. Markley. The sale which opened March 2 will continue through Easter Sunday. It furnishes the funds with which the Adams County Society for Crippled Children and Adults operates throughout the year.

U. S. Probes More Price Fixing

WASHINGTON (AP) — The Justice Department is pushing investigations of alleged price fixing in meat, milk, drugs and other products "almost all across the board in certain sections of the United States."

Atty. Gen. Robert F. Kennedy said "we're going to be able to lower prices in some of these important fields," and cited the successful prosecution under the Eisenhower administration of 29 big electrical equipment manufacturers.

"When the electrical conspiracy broke down," he said, "the price to the consumer and to the government fell about 30 to 40 per cent."

He said price fixing is widespread and the department has started investigations in almost every major city. "But it's important cases appear to be developing," he added, in New York City and New York State.

PLAN SERVICE GOOD FRIDAY, EASTER DAWN

Community Good Friday and Easter dawn services were announced at the March meeting of the Gettysburg Ministerium Sunday evening at the home of the president, the Rev. Robert A. MacAskill, E. High St.

The Good Friday service will be held in Christ Lutheran Church from noon until 3 p.m. with the Rev. Dr. Harry F. Baughman to be the speaker. He will be assisted in the worship services by the Rev. Dr. Howard S. Fox, Trinity United Church of Christ; the Rev. Donald Harper, Memorial EUB, and the Rev. Weston Chambers, Church of the Nazarene.

The Easter sunrise service will be conducted by the Gettysburg Youth Council at 6:30 a.m. on Oak Ridge with Seminarian Ronald Shonk to be the speaker. The young people will breakfast at the Peace Light Inn at 7 a.m. Reservations are to be made in advance.

SERVICES AT YWCA

The local pastors invited the public to attend the Wednesday noon Lenten services being held at the YWCA building. This week the Rev. Dr. Paul L. Reaser of St. James Lutheran Church will speak and next week the series will conclude with the Rev. William E. Fenstermaker as the speaker.

The Rev. Mr. Fenstermaker, Methodist pastor, also will give the invocation at the town council meeting in April.

The ministerium discussed possible participation in an International Good Will program under which homes would be found for foreign college students in this community. They also talked over plans for a retreat in the fall or next spring. Planning was begun for the summer vespers services. The April meeting will be held at the home of the Rev. C. Reynolds Simmons the third Sunday evening of the month.

Thieves Busy On Saturday Morning

Burglar entered the Inland Homes, Inc., Conewago Twp., early Saturday morning, removed \$25 in coins from four vending machines and caused damage to the machines at \$155, state police reported today. Entry was made by breaking a window in a rear door. The candy, milk, soda and coffee vending machine were broken open.

Burglars early Saturday stole two wheels bearing white sidewall tires from a 1957 Ford sedan on the used car lot at the Paul W. Wagner service station, Biglerville, according to state police report. The officers said the thieves jacked up the car, removed the wheels and then let the car down on the axle.

President Intervenes In Civil War Racial Issue

CLINTON, N.Y. (AP) — The National Civil War Centennial Commission, prodded by President Kennedy, will meet Tuesday in Washington to discuss an alleged case of racial discrimination at a forthcoming Civil War observance at Charleston, S.C.

Maj. Gen. U. S. Grant III (ret.), commission chairman, said at his home here Sunday night that he had called a meeting of the commission's executive committee in response to a letter from the President.

The White House said Kennedy had asked the commission to see to it that white and Negro delegates get equal treatment at the Charleston observance April 11-12. Madeline A. Williams, a Negro member of the commission's New Jersey unit, had complained she

1,000 ATTEND JULIETTE LOW SCOUT RALLY

"Honor the Past, Serve the Future" was the theme of the Juliette Low rally held in the Gettysburg High School auditorium Saturday from 10 a.m. to 2 p.m. Approximately 1,000 Adams County Girl Scouts participated.

The Scouts contributed \$139.22 to the Juliette Low World Fellowship Fund. The money will be used to help set up Girl Scout units in foreign countries.

After the welcome by program chairman Mrs. Donald Fair, troop 60, composed of seniors from the Arendtsville, Bendersville and Biglerville units, conducted the flag ceremony. Mrs. John Weaver, music consultant, led the girls in group singing. Mrs. J. B. Collins, president of the Adams County Girl Scout Council, spoke briefly. Six skits were presented by the following: Bendersville, Intermediate Troop 31, "The Troop Meeting of the Past"; Intermediate Troop 40, Biglerville, "Troop Meeting—Today"; Intermediate Troop 44, Gettysburg, "Uniforms of the Past"; Intermediate Troop 51, Littlestown, "Uniforms of Today"; Intermediate Troop 49, New Oxford, "Services of the Past"; and Intermediate Troop 33, Fairfield, "Services of Today, to Serve the Future."

SHOW 2 MOVIES

After lunch in the cafeteria, movies entitled "Camp Time—Anytime" and "Hands across the Sea" were shown. Brownie Troop 81 of Littlestown; Fly-up Troop 65 and Brownie Troop 82 of New Oxford, and Brownie Troop 38 of East Berlin then presented a few songs and dances.

Senior Troops 36 and 42 of Gettysburg, under the leadership of Mrs. James Allison, Mrs. Kenneth Hull, Mrs. Ralph Bream and Mrs. Robert Moose, presented a choral reading ceremony in relationship to the Juliette Low World Fellowship Fund.

Mrs. Fair announced that the 1962 World Roundup theme at Button Bay, Lake Champlain, Vt., (Continued On Page 3)

DEATH CLAIMS P. SHOEMAKER

Paul E. Shoemaker, 59, Taneytown, died Sunday at 5:30 p.m. at the Warner Hospital. He had been in declining health since January 1.

He was born in Carroll County, Md., and always resided in the Taneytown area. He was a son of the late Thomas G. and Emma Jane (Harnish) Shoemaker.

The deceased was a member of Grace United Church of Christ, Taneytown; Taneytown Volunteer Fire Company, Gettysburg Elks Lodge, social member of the Gettysburg VFW, Gettysburg Cotillion, Littlestown Eagles, Hanover Lyric Club and the Hanover Moose. He was also a member of the American Antique Automobile Club and the Gettysburg Antique Automobile Club.

Surviving are his widow, the former Margaret Crebs, and one sister, Mrs. Manila Helm, Baltimore.

Funeral services Wednesday at 2 p.m. at the Fuss Funeral Home, Taneytown, conducted by the Rev. Guy P. Bready, Interment in the Grace United Church of Christ Cemetery.

Friends may call at the funeral home Tuesday evening. Members of the local Elks lodge were requested to meet at the home on York St. Tuesday evening to leave at 7 p.m. for the viewing in Taneytown.

HURT IN CRASH

A tractor-trailer driven by Edgar Francis Lehman, 58, Chambersburg R. 2, traveling west on Rt. 140, three-fourths of a mile west of Reese, Md., was struck from the rear by the car driven by William N. Shanks, 26, Littlestown R. 1, at 4:25 a.m. Saturday, Maryland police said. The Shanks' vehicle was demolished. Shanks was taken to the Sinai Hospital, Baltimore, in the Westminster Fire Co. ambulance and was treated for cuts of the face and abrasions of the chest. Trooper T. L. Wood, Maryland State Police, stated that charges are pending.

LOOM WOMEN OF AREA MEET HERE SUNDAY

One hundred four members of the Women of the Moose from the Hanover, Chambersburg, Carlisle, York and Gettysburg chapters attended the Star Recorder program held Sunday at the local Moose lodge in honor of Rosetta Johnson, Gettysburg; Mildred Spangler, Hanover; Mary Heiland, Carlisle, and Eva Boose, Hanover, who have been awarded the Star Recorder honor by the national Women of the Moose organization.

Mrs. Johnson was presented with an orchid corsage and a briefcase by the Gettysburg chapter during the program.

Kathryn Davies, senior regent of the local Women of the Moose, presided at the program at which four candidates were inducted. They were Lucille Rudisill, Irene Jacoby and Teresa Slonaker of Gettysburg and Helen McKenrick, York.

Mrs. Johnson gave the welcome and Mildred Spangler, Hanover, the response. The program opening was conducted by the Hanover chapter, balloting by the Gettysburg chapter and the enrollment by the Chambersburg chapter. During the enrollment service Virginia Lauver and Eva Boose addressed the new candidates.

Carlisle chapter conducted the Mooseheart Endowment Fund ceremony and the closing ceremony was by the York chapter. Faye Nozzi of the Chambersburg Chapter spoke on "The Star Recorder's Responsibility" and Mary Heiland spoke on "The Star Recorder Scholarship Fund."

Sums collected at Sunday's program were sent to Mooseheart to assist in providing a secretarial education for a Mooseheart graduate.

Other senior regents participating in the program include Faye Nozzi, Chambersburg; Phyllis McGuire, Carlisle; Charlotte Cunningham, York, and Dorothy Grim, Hanover. The registration committee included Thelma Yingling and Evelyn Rose.

Three Injured At Zora On Saturday

Three persons were injured when a station wagon and truck collided at the Zora intersection Saturday afternoon at 12:15 o'clock.

State police said George P. Hobart, 34, Plainfield, N. J., was driving east on the Sunshine Trail and sought to turn into the Fairfield Rd. at the intersection. When he did his vehicle collided with a westbound truck driven by John E. Cullison, 29, Fairfield R. 2. Damage was estimated at \$800 to the station wagon and \$200 to the truck.

Cullison and Mr. and Mrs. Hobart were brought to the Warner Hospital by the Gettysburg Firemen's ambulance. Cullison was found to have lacerations of both lips, scalp and wrist and a puncture wound of the right lower leg. Mrs. Hobart has possible fractures of the right ankle and ribs.

YORK MAN, 46, DIES SUDDENLY HERE SUNDAY

A 46-year-old York man, Samuel Woodrow Puckett, enroute to the home of a sister in Toledo, O., died in the Warner Hospital at 4 o'clock Sunday morning. Dr. C. G. Crist, Adams County coroner, said the death was caused by water on the brain.

Puckett was hitch-hiking Saturday afternoon when he became ill and at his request the motorist who had given him a lift from York took the York man to the borough police station.

There Chief of Police Jack Bartlett decided from the appearance of the man that he should be taken to the Warner Hospital. The man complained of nausea and headache and had become semiblack. Physicians at the hospital sought to treat the illness but Puckett became worse and death followed.

FATHER OF 8

Dr. Crist ordered an autopsy which was performed Sunday morning by Dr. C. Harold Johnson. The autopsy disclosed that the death had been caused by water on the brain.

Authorities learned later that Puckett had telephone his sister in Toledo, Mrs. Mamie Williams, on Friday night, saying he planned to visit her and would arrive Sunday morning. He complained at that time, according to the sister, of not feeling well.

A son of Samuel and Georgia (Donnelly) Puckett, he was a native of Smoot, W. Va., and served in World War II with the Navy. He had married and was the father of eight children. The last several years he had been a resident of York.

The body was transferred from the Peters Funeral Home here to a funeral home in Raneline, W. Va.

I. E. Kilmon Dies At McKnightstown

Ira Ellsworth Kilmon Jr., 46, died Sunday morning at 12:01 o'clock at his home in McKnightstown of a heart condition.

A carpenter, he was a native of Newark, Del., and moved to the county five years ago. He was a member of the Cashtown Fire Department and of the Gettysburg Camp of the Sons of Union Veterans.

Surviving are his wife, the former Edna T. McKay; a son, Ira E. Kilmon III; his mother, Mrs. Anna Jackson, and a sister, Mrs. Herbert Thoman, Rockville, Md.

The body was removed by the Bender Funeral Home here to the Melvin I. Minshall Funeral Home, 11th and Kerlin Sts., Chester, for services and interment at Chester.

U.N. Force Reaches Kasongo To Stop Witchcraft Murders

UNITED NATIONS, N. Y. (AP) — Soviet Foreign Minister Andrei Gromyko was expected to open a new debate on the Congo today in the U.N. General Assembly with charges that Belgium, Secretary General Dag Hammarskjöld and Congolese President Joseph Kasavubu are conspiring to dismember the chaotic central African territory.

By DENNIS NEEDLE

LEOPOLDVILLE, the Congo (AP)—A joint force of U. N. and Congolese soldiers got through to Kasongo today in their drive against witchcraft gangs terrorizing Kivu Province.

The column, made up of 150 U. N. Malay soldiers and 50 Congolese, flashed a terse message to U. N. headquarters here saying: "All is well."

The 200-mile drive to Kasongo from the U. N. base at Kindu apparently met no resistance

from the bow-and-arrow gangs who profess intention to "kill all whites." The men traveled in heavy trucks over roads that were little more than ribbons of mud. The trip took 24 hours.

An estimated 30 whites thought to be mainly missionaries and plantation owners, are believed still in the Kasongo area—center of the witchcraft cult.

This is the first time that U. N. soldiers and soldiers nominally loyal to the leftist Stanleyville regime of Antoine Gizenga have co-operated on this scale. Gizenga's supporters claim control of Kivu, which has degenerated into a state of anarchy because of roving gangs of soldiers, cultists and bandits.

The United Nations has put the strength of the witchcraft fanatics at several hundred. They are armed with bows and arrows, lances and homemade guns. Around their heads they wear strips of leopard skin.

STATE APPLE GROWERS WILL MEET HERE ON BILL MARCH 27

Apple growers throughout the state will meet here next Monday in an effort to resolve some of the discord on apple marketing legislation now before the General Assembly.

Billed as an educational program by the Adams County Extension Service of the Pennsylvania State University, a leading Adams County fruitgrower said he expected a secret poll to be taken among the growers on their sentiment toward the Pennsylvania Commodities Market Act of 1961, or, unofficially, the Apple Marketing Act.

Arthur Rice of Biglerville, says that about 75-80 per cent of the growers would favor the marketing program. Rice, nephew of Democratic State Chairman John S. Rice, is a lobbyist for the State Horticultural Association.

HAS LAWRENCE BLESSING
The Apple Marketing Act, thrown in the legislative hopper Jan. 31, with Lawrence administration endorsement, would permit apple growers to form a self-supporting cooperative association, under the administration of the state Agriculture Department, to promote the sale of apples.

John A. Hauser, president of the C. H. Musselman Co., Biglerville, one of the largest processors of apples in the world, told a reporter for The Times today:

"In a letter we mailed to our growers on March 8 we stated that we recognize the necessity of promotion in today's market. Individual processors annually budget huge sums for promotion and advertising. Collectively they support promotion, research and merchandizing through the Processed Apple Institute. The Processed Apple Institute has been in existence for over ten years and has a proven record for effectiveness in promoting canned apple products.

"Do you want legislation that gives rise to a second agency a duplication of effort and a political bureaucracy that will be paid for by your dollar?"

PROVIDES ASSESSMENT

The legislation provides that two-thirds of the producers, representing more than 50 per cent of the total volume of apples grown, would have to approve before any organization could be set up to do the promotion work. Producers would be assessed up to 5 per cent of the gross market value of their apples to support the organization.

Proponents feel that this organization is needed.

Meanwhile, House Democratic Leader Stephen McCann has scheduled the apple bill for a final vote this week in Harrisburg. If it passes—and McCann was confident that it would—it will go to the Senate for further action.

Rough Winter Ends Today

The toughest winter in decades for Gettysburg and Adams County comes history this afternoon at 3:32 o'clock when spring arrives.

Gettysburg came within a few degrees of an eight-inch snowfall over the weekend. While the mercury hovered around the freezing mark, more than three-quarters of an inch of water fell as sleet and freezing rain.

Scores of records were set from December through February with subzero cold and with a total of 61.7 inches of snow, a mark that was exceeded only in the winter of 1917-18 when the total was 62.8 inches.

There were subzero readings in December, January and February and the snowfall for those months amounted to 15.5 inches in December, 23 inches in January and 22.7 inches in February. November had started off with half an inch but there has not been any measurable snow so far this month, although flurries have occurred a number of times.

On the basis of local weather records, the chances for more snow this month seem fairly good for some of the heaviest snows in local weather annals came in March. One notable example was Palm Sunday, 1942, which fell on March 29, and which saw 24 inches of snow here.

Measurable amounts of snow rarely fall here in April. There was a trace of snow last April but in 1959 there were 3.5 inches of the white stuff that month. Only 13 other Aprils in the last 56 years have seen snow here. The record April snowfall came in 1918 when there were 10 inches. Forecasts for Tuesday predict rain or snow.

GIVEN HONOR AT WELLESLEY

Miss Ileana Zagars, 50 W. Broadway, daughter of Dr. and Mrs. Waldemar Zagars, received recognition for excellence in scholarship at the recent annual Honors Day convocation at Wellesley College, Wellesley, Mass., on Thursday, March 16.

Wellesley confers upon outstanding upperclassmen the citation of Durant Scholar for highest academic attainment, and names as Wellesley College Scholars those who have a high level of achievement.

Miss Zagars was named a Wellesley College Scholar for the second consecutive year, and an associate member of Sigma Xi, national scientific honorary society. She is a previous recipient of Freshman honors for outstanding academic achievement during her first year at college. A senior majoring in physics, she is treasurer of the Senior Class. She is a graduate of the Shipley School, Bryn Mawr.

Firemen Called Twice Saturday

Gettysburg firemen were called to two fires within 15 minutes Saturday afternoon.

The first call, at 12:15 o'clock, was a grass fire at the home of a Mrs. Clark on Gettysburg R. 4. While there, the firemen were called at 12:30 o'clock to the home of Robert Plank, Fairfield Rd., where an explosion within the furnace forced open an door which permitted flames to spread through ducts, setting fire to a bedroom and attic.

Firemen arrived moments before Mr. Plank, who finding the door locked feared his wife and child were still in the smoke and flame-filled interior of the structure. An ambulance was summoned, but when firemen wearing gas masks entered the bedroom where most of the fire and smoke were confined it was found that there was no one in the concrete block structure. Later it was learned that Mrs. Plank had taken the child to a neighbors' home to call firemen when she feared the furnace was about to explode.

Fire Chief Francis I. Linn estimated damage to the home at "about \$3,500."

Man Is Jailed In Shooting Affray

Benjamin Thomas, 39, Aspers R. 1, and his father-in-law, Charles Smith, 60, near Heidlersburg, were held for the Adams County court after a hearing before Justice of the Peace Robert P. Snyder Saturday afternoon. Thomas has been charged with aggravated assault and battery while Smith counter-charged with an assault and battery information. Both charges grew out of a shooting March 7 of Thomas who was released Wednesday from the Warner Hospital after being treated for bullet wounds in the stomach and neck which he allegedly received at a "family fracas" at Thomas' home.

Smith was released on \$500 bail while Thomas was recommitted to the jail.

Man On Bail In Crash On Sunday

Chief of Police W. L. Fleming of Fairfield said today that he expects to file charges against Hansel Brooks, Fairfield, who was involved in a three-car crash in Fairfield Sunday morning about 2:30 o'clock. Brooks is free on bail on a drunken driving charge brought a week ago by state police.

Brooks and a woman passenger in his car, whose name was not available, escaped with a "shaking up" when the Brooks car struck the parked machine of Robert Kleppinger and pushed it 35 feet into the parked auto of Richard Kuhn, Cashtown. Damage totaled about \$500. The Brooks sedan was being driven east through the town when the crash occurred, the chief of police said.

Damage to the Brooks car was estimated at \$250, \$200 to the Kleppinger car and \$50 to the Kuhn auto. The Brooks car, a 1953 model, was demolished.

Native Of County Expires Sunday

Emory A. Heiges, 78, former resident of Biglerville, died Sunday at his home at Cherry Hill Lane, Reisterstown, of a heart attack. He had been in ill health for two years.

Heiges was a son of the late William H. and Mary E. Arnsberger Heiges. He was born near Two Churches, Adams County. He was a day laborer and had been employed by the state of Maryland for a number of years. He was a member of St. Paul's Lutheran Church, Biglerville.

The deceased is survived by two foster daughters, Mrs. Purcell Bohrer, Biglerville, and Miss Gloria Heiges, York, and one grandchild.

Recreation For Retarded Is Topic

"Recreation for the Retarded Child" will be the topic of the monthly meeting of the Adams County chapter of the Pennsylvania Association for Retarded Children at the High St. school at 7:30 o'clock Tuesday evening.

After a brief business meeting, the topic will be presented by Charles T. Mitchell Jr., who since 1954 has been district supervisor for the Department of Recreation in Philadelphia. In this capacity he has dealt particularly with handicapped children. Mr. Mitchell has served the recreation societies of the city, state and nation. He was an organizer of Recreation Teachers' Local of AFL.

He has been a board member of NAACP and is active in Sunday School work and lodge activities. Anyone interested in the work of the PARC is invited to attend.

Two Are Fined For Code Violation

James D. Schildt, 22, and Wayne Wilders, 22, both of Thurmont, were fined \$10 and \$25 and costs, respectively, by Justice of the Peace Robert P. Snyder Sunday on charges of operating without an operator's license and permitting an unauthorized driver to operate a vehicle.

Borough police, who filed the charges, said they were following Wilders' car being driven by Schildt Sunday when they thought the driver was observing all the traffic laws too closely. Upon investigation they discovered the violation.

Both men were released from the Adams County jail this morning when a relative appeared to post the fines.

4 STATES ARE PLASTERED BY SNOW, SLEET

By THE ASSOCIATED PRESS
Snow, sleet and icy rains marked the arrival of spring in the nation's midsection today.

With calendar spring to begin at 2:32 p.m. (CST) a wintry storm plastered the Texas and Oklahoma panhandles with snow and sleet and rain eastward through Missouri and Oklahoma.

Amarillo, Tex., reported 2 inches of new snow atop a 5-inch cover. Dodge City, Kan. reported a like fall.

The Weather Bureau advised that up to 4 inches of snow could be expected throughout the area before the storm slackened.

The Southwest measured snow up to a foot deep from a weekend storm that closed several major roads, stranded motorists and disrupted power and communications in a number of communities.

A foot of snow cut off power in Tulsa, Tex. Silvertown, Tex., was hit with 8½ inches of snow, Clovis, N.M., with 4½ inches. Up to 5 inches of new snow fell in the Oklahoma Panhandle.

The new cover quickly began to melt under warming temperatures and farmers welcomed the snows as a break in a winter drought.

Sub-freezing weather gripped a broad area of the Northeast during the early morning, from New England through most of the Great Lakes and upper Mississippi Valley into the central Rockies and parts of the southern Plains.

EXECUTIONS OPPOSED BY EPISCOPALIANS

NEW YORK (AP)—Bishops of the Episcopal Church say capital punishment "brutalizes society."

The death penalty, they claim, also debases law enforcement, fails to deter crime, even stimulates crime in some cases, and is "contrary to the will of God."

A 30-page report by the bishops, released Sunday, criticizes FBI Chief J. Edgar Hoover for supporting capital punishment.

The document, described as the first of its kind issued by an American church, assails Hoover for saying that opponents of capital punishment are sheltered people unaware of the horrors committed by criminals.

The report said those favoring capital punishment base their position on venal sentimentalism. It disputed charges of pacifism and sentimentalism which have been made against opponents.

The document—also said the death penalty is paid disproportionately by the underprivileged, the poorly educated, minority groups and the mentally deficient. It said defendants of wealth and position in similar cases are rarely put to death.

The report cites evidence of executions of innocent persons.

At another point, it says: "The consequences of the incarnation (of Christ) place the scaffold, the guillotine, the gas chamber, the firing squad and the electric chair under the judgment of another symbol of suffering and shame: The Cross."

The document, released through the Episcopal church's bishops, implements a resolution adopted by the denomination's general convention.

PATUXENT, Md. (AP)—The navy says Lt. Cmdr. William E. Grimes, first reported missing after his plane crashed, died in the crash.

The body of the 37-year-old Catwissa, Pa., native was found by a salvage crew working on the twin-jet AeJ Vigilante Saturday in Chesapeake Bay.

The plane crashed into the bay Friday.

Elleen Zeigler. To prepare the students for the approaching responsibility of publishing the 1961-62 issues of the Maroon and White, a 336-page textbook, "Scholastic Journalism," by Earl English and Clarence Hach, which presents, in outline form, the principles of gathering, writing, editing and displaying the news and also an evaluation of the daily press, is used.

Practical experience has been gained by most of the students by writing at least one article for recent editions of the Maroon and White.

To obtain a full credit for Junior English, the students meet twice a week with Edwin Longenecker for English III literature in addition to the three periods a week they meet with Mrs. Deitz.

Selection of the group is based on the final grade in Sophomore English, which must be "A" or "B" and a recommendation by the Sophomore English teacher.

TAIPEI, Formosa (AP)—A 5-year-old boy is Formosa's newest hero. A group of children playing at nearby Tamsui Beach were engulfed by a big wave Sunday.

As they ran to higher ground, Wang Pi-piao noticed a playmate was missing. Fighting back through the surf, the boy found Wang Kuei-ying, 3, terrified and exhausted, and pulled her to safety.

PA. AUDITORS

(Continued From Page 1)

sing of completed checks only, the use of authentic duplicate deposit slips, the recording of each check separately in record books, periodic reconciliation of bank and book balances, retention of voided checks, notation in the minutes of designation of depository and notation in the minutes that public notice was given on the proposed budget.

The comparatively brief report on Mt. Joy Twp. simply noted that budget amounts for some departments were overexpended without noting transfer of funds to cover those amounts. School district records were described as "inadequate" and there was a recommendation that cash records be maintained in sufficient detail.

The report on Mt. Pleasant Twp. showed that no surety bond was required by the board secretary, that the budget was overspent and that the depository did not furnish a bond nor monthly statements. The state recommended coding of checks, prompt deposit of cash and chronological entry of journal records, better handling of year-end transactions, obtaining of authentic duplicate deposit slips, retention of required worksheets and notation in the minutes that public notice was given of preparation of the proposed budget.

SIGNED BLANK CHECKS

In Union Twp. it was found no surety bond was carried by the secretary, that the budget was overspent, that the depository did not furnish a bond or monthly reports, that entries in cash journals are made in nonpermanent form and that checks were signed in blank. Recommendations call for coding of checks, use of duplicate deposit slips, retention of worksheets and notation in the minutes that the proposed budget was advertised.

The jointure's accounts were checked and these flaws found: No surety bond carried by board secretary, the treasurer did not furnish monthly statements, the budget was overspent and it was noted that various bills pertaining to expenditures from the school activity fund were paid out prior to board approval. Payments in one month, it was noted, amounted to over \$4,000. Discontinuance of that practice was recommended.

URGE PAYROLL JOURNAL

The auditors also found that the school depository did not furnish bond and that in checking invoices supporting disbursements no evidence was found for verification of mathematical accuracy of the invoices.

The recommendations included establishment of a payroll journal, prompt payments of bills to take advantage of discounts, notation in the minutes of designation of the depository for school funds and notation in the minutes that public notice was given on submission of the proposed budget.

Says He Took Poor Photos Of Sub After Red Beating

By TOM PERRY

LONDON (AP)—A royal navy clerk told a jury today he photographed secret plans of a nuclear submarine after Communist hoodlums beat him and threatened his mistress.

Henry F. Houghton, 55, one of five defendants charged with leaking secrets to the Russians, claimed he deliberately took the photographs out of focus so they would be useless to his tormentors.

The submarine is the Dreadnought, built by the British with American knowhow. Its reactor is of the type installed in the American Skipjack class.

Houghton testified his troubles started in February 1958 when a contact man he knew only as

"Nikki" demanded details of submarine warfare research from the Portland base where Houghton worked.

BEATEN "SAVAGELY"

When he failed to show up for a meeting, Houghton said, two men came to his house and beat him savagely. They threatened next time to get his mistress and codefendant, Ethel Elizabeth Gee, 46, also an employee at the Portland base.

The others accused are Gordon A. Lonsdale, 37; Peter Kroger, 58, and his wife, Helen, 47. The FBI has identified the Krogers as Morris and Lola Cohen, American citizens who formerly lived in New York.

Houghton said he stalled off the

ring from time to time by giving them pamphlets and papers they could have obtained in ordinary publications. But when they threatened Miss Gee, he said, "I regarded that as most serious."

Asked just who the men were, Houghton said: "I did not know who they were but I had every suspicion that they were the Eastern bloc—Czechs, Poles, Russians."

HAD RADIO TRANSMITTER

Houghton and Miss Gee are accused of giving documents on antisubmarine warfare as well as a plan of Britain's first atomic submarine, the Dreadnought, to Lonsdale who in turn gave them to the Krogers. Police found a radio transmitter in the Kroger home and said it was beamed on Moscow.

The defendant said the ring wanted details of homing torpedoes and a device ships trail to mislead submarine torpedo crews.

Centenary EUB's Crusade Goes On

Three hundred fifteen persons were in attendance Sunday morning for the evangelistic crusade service in Centenary Evangelical United Brethren Church, Biglerville. Evangelist Lester Place spoke on "The Ministry of the Church." The closing prayer was given by Dr. DeWitt P. Zuse, treasurer and administrative assistant of the Pennsylvania Conference.

"So Great Salvation" was the sermon title at the service on Sunday evening with 291 in attendance. A vocal solo "How Wonderful" was sung by Mrs. Laverne Rohrbach. The "Musical Places" presented a program including "How Great Thou Art" on the saxophone, "Nearer My God to Thee" on the marimba and Hawaiian electric guitar, "My Anchor Holds" on the triple octave chimes, "Love Lifted Me" on the marimba and "My Saviour's Love" on the marimba and bells.

The program tonight will include a 16mm color film titled "Travelogue with the Places." On Tuesday night the musical program will be illustrated with hand-painted scenefelts. Friday night has been designated as Sunday School night with gospel choruses by the children and on Saturday night the Places will present a concert of sacred music including their personal testimonies of conversion to Christ and call to Christian service.

Saw Women And Children Slain

LAUNDA, Angola (AP)—The bride of a coffee plantation manager reported that she saw women and children cut to pieces by anti-white tribesmen near the Congo border.

Mrs. Werner Stiel, 20, drove into

"I said I couldn't get it," that "it was not there. Actually, I did not attempt to," Houghton said.

Forecast

Extended forecasts for March 21 through 25:

Out Of The Past

From the Files of the
Star and Sentinel and
The Gettysburg Times
ONE HUNDRED YEARS AGO

The Conflict in Virginia: Dispatches received from Richmond represent the excitement there to be most intense, and that the strife hourly increases between the Union men and the secessionists. John Cockrane's arrival there was freely commented on and his speech produced a most marked effect. The Union sentiments are on the increase. Mr. Tyler's speech was regarded as a failure. Governor Wise will follow him in support of his plan of adjustment.

Deaf an Killed: A deaf man, named Josiah Jones, a mason by trade, living near Mechanicsburg, Cumberland county, was killed instantly on the Cumberland Valley Railroad on the 11th inst. He was walking on the track, and the Engineer blew the signal, but the man, not being able to hear it, was struck by the locomotive before it could be checked. His wife had cautioned him that morning not to walk on the track for fear he might be injured, as he was near being run over some weeks ago.

Death By Burning: On Friday week, a daughter of Mr. Thomas Spencer, of Finkburg District, Carroll county, between 6 and 7 years of age, met with a terrible death by burning. We are informed that the father was in the field plowing, and his two little girls were burning brush, when the clothes of one caught fire, and burned her so badly that she died in about nine hours afterwards.

The municipal authorities of Washington Tuesday presented to Senator Crittenden a copy of the joint resolution in respect to him adopted by the city councils. In acknowledging the honor, he said that he should retire from the toil of public life with firm confidence that the nation would soon come out of its struggles, and be able to look back with a thrill of joy upon the dangers which had cemented them more firmly together, and which had made them a happy, peaceful and glorious people.

SEVENTY-FIVE YEARS AGO

Gun-trap: Robert Gassaway of Hagerstown has been the victim of several burglaries recently, and in order to protect his dwelling house he constructed a gun-trap in his kitchen, which connected with the outside door. About six o'clock one morning last week Mr. Gassaway thoughtlessly opened the door to which the trap was attached, when the gun was discharged, the contents, consisting of three bullets, taking effect in his right leg. The limb was very badly shattered.

Accident: On Tuesday Mr. Alexander Spangler, of this place, drove over to Emmitsburg, with his wife and daughter, and concluded to visit St. Joseph's Academy. In driving through the gateway, one of the horses jumped the tongue, and Mrs. Spangler, becoming alarmed, jumped from the carriage. She fell and broke both bones of her right leg at the ankle. Dr. Annan temporarily dressed the limb and Mrs. Spangler was brought home in a hack. Dr. R. Horner reduced the fracture. Mrs. S. will be disabled for some time.

The Reorganization Of The Civil Service Commission: The President has again reorganized the Civil Service Commission. John H. Oberly, chairman of the Illinois Democratic State Committee, succeeding Judge Trenholm, and Mr. Lyman, succeeding Mr. Eaton. The third member is Mr. Edgerton, of Indiana. Mr. Lyman, the Republican member, is an improvement on Eaton. He has been chief examiner of the board, is a practical man, and thoroughly devoted to Civil Service Reform. Mr. Eaton had largely to do with originating the Civil Service

SPRING
We are in the vernal equinox again. I love spring!

To me, beginnings are always fascinating. To watch little buds waking up, and then to see them poke their tiny heads out into a world they have never seen before, leads me and somehow inspires me into better ways—for then it is that I feel very much akin to the eternal spirit of growth.

There is such a freshness to spring. Just as there is to a new baby, with its rose petal skin and wondering eyes.

No wonder so many poets have so often spoken of "an eternal spring."

Planting time, pruning time, fragrant time, singing time, love time—that's spring.

With what mystery and wonder do things unfold as the sap starts its way upward and the green leaves sprout and spread! Before one knows it, there are lilacs, daffodils, apple blossoms, tulips, violets, pansies, dandelions, and all the multitudes of flower families which went to sleep in the fall.

And what has age to say as it passes to watch the small boy at his marbles, or as he swings his nice new baseball bat? Does it not smile and tuck into its ripening heart just a few more full blood beats that they may whisper back that age and youth are only a little way separated at the most?

Yes, spring is the time of dreams! Let us, then, not take it idly as it comes and goes. Let us wrap its fervor about us, listen to its music, and enter into all its play. For spring is here once again—the spring of fresh rains, warming waters, happy birds returning from the southland, busy animals and working men—the spring that promises summer and overflowing harvests.

Is not spring a time for hope and courage?

Tomorrow Mr. Adams will talk on the subject: "The Scrap Heap"

THE DICTIONARY
The dictionary's full of words
Which run from A to Z.
For any man to choose and use
In prose or melody.

The stories of the world are there,
The songs which men shall sing,
The books of ages yet unborn,
And many a tender thing.

The jest lies sleeping on a page,
The sermon waits a voice;
The poem waits an artist's call,
An artist's lovely choice.

It is the color box of speech
With all its various hues
Wherein are found the little tubes
That all who paint must use.

And one man splashes red and blue
And dull his canvas seems,
While one with deft and subtle
Can give the world his dreams.

So stands the dictionary there,
With words piled, row on row,
Waiting the teller of the tale
To set them all aglow.

DEVELOP WAY TO TRANSFER LIVE ORGANS

By FRANK CAREY
Associated Press Science Writer
ST. PETERSBURG, Fla. (AP)—A Minnesota scientist today reported development of a technique he said might open the way to transfer of organs from one person to another.

Dr. Claude R. Hitchcock of Minneapolis General Hospital said he and fellow researchers had successfully removed a kidney or lung from baboons and dogs, kept them alive outside the body for periods up to 24 hours, then replanted them in the same animals and found that normal function quickly resumed.

He told a seminar of science writers sponsored by the American Cancer Society that the technique—featuring quick cooling of the organs to an ice-cold state and freezing them entirely of blood—might help science in its attempts to change the characteristics of cells within organs of an animal—and eventually of a human—so that such an organ would not be rejected when transplanted into another living subject.

"IN FAR FUTURE"
Up to now such transplants can

be made only between identical twins, and so far only with kidneys. In a separate interview, he said that in "the far future," with the aid of his and allied techniques, it might be possible to take an organ, such as the liver, from the body of a person killed in an accident, alter its cellular characteristics, store it in a refrigerator, and then transplant it into the body of a person whose own organ was diseased.

The key value of the new method, he said, lies in the fact that a "state of suspended animation" is achieved in the organ within 60 seconds by perfusing it with an ice-cold mixture of dextrose, plus novocaine to prevent constriction of arteries. The mixture also serves to flush out all blood.

ANALYSIS OF STOCK MARKET BUYING GIVEN

By SAM DAWSON
AP Business News Analyst

NEW YORK (AP)—Heavy stock market trading and the quickness of prices to respond to any news, good or bad, raises these questions: Who are buying? Who are selling?

Are the big fellows, the insiders, the institutions running up prices? Or is the little fellow in there, trying his luck or expressing his hopes or fears?

The way of the small investor in Wall Street has long fascinated the professional. Is the man with a few spare bucks buying, is he selling, or is he just on the sidelines?

VIEWS OF PROS

Judged by odd lot trading, the little investor of olden days has been selling more shares than he has been buying. Odd lots are sales of 1 to 99 shares, as against round lots in blocks of 100 shares. The small investor is likely to buy odd lots.

Some of the pros hold that the small investor is always wrong, and therefore a good guide as to how the smart fellow shouldn't plan his own buying or selling.

Others see the small investor's market habits as a valuable clue to public psychology—confidence in the future, or fear of recession. And confidence or fear play major roles in both the market and the economy.

STICK TO FAVORITES

In practice the small investor's trading often centers in quite different shares than the professional's. And the odd lot buyer is less fickle. He tends to stick to his favorites in good times or bad, in bull markets or in sell-offs.

For example, in the last four years the same three stocks have commanded the most odd lot volume of trading. The Exchange magazine, official publication of the New York Stock Exchange, says that American Telephone & Telegraph, Jersey Standard Oil and General Motors finished both 1960 and 1959 in that order. In 1958 the order was GM, A.T.&T., Jersey. And in 1957 the order was GM, Jersey and A.T.&T.

Last year odd lot trading volume was 164,546,000 shares, compared with 766,694,000 shares traded in round lots.

FOR INCOME, NOT GAINS

Those buying in round lots, that is, in volume, had other ideas about popularity, however. The phone company ranked ninth in number of shares traded in lots of 100 or more. Jersey Standard was third in trading in round lots and General Motors fourth.

Heaviest round lot trading was 13,205,900 shares of American Motors, while odd lot volume came to 1,864,202, or fifth on the list. Second place volume in round lots was 12,353,100. It ranked 16th in odd lots with a total of 876,278 shares. (This compares with an odd lot volume of 3,751,208 shares for top favorite A.T.&T.)

From these figures many pros deduce that the small investor clings traditionally to the less volatile stocks. Frequently odd lot buying seems to be for income rather than the likelihood of capital gains.

MANY EXCEPTIONS

The Exchange also notes that odd lot preference tends to run to shares selling around \$40 or less, although there are many exceptions.

Outstanding example: International Business Machines, now selling around \$700 a share. Last year, when the price was \$593 at year end, odd lotters bought 1,101,123 shares to make it No. 10 on their hit parade. IBM with 955,300 shares traded, wasn't even on the list of the 50 round lot leaders.

LENTEN PRAYER FOR TODAY

Oliver Wendell Holmes (1809-1894) was born in Cambridge, Massachusetts. He became a distinguished physician in Boston, a professor of anatomy and physiology at Harvard, an essayist, humorist, and the editor of the Atlantic Monthly. His column in the Atlantic was the basis of his famous book "Autocrat of the Breakfast Table." The doctor's son, also named Oliver Wendell Holmes, was one of the most celebrated associate justices of the U. S. Supreme Court.

O Father! grant Thy love divine
To make these mystic temples Thine!
When wasting age and wearying strife
Have sapped the leaning walls of life,
When darkness gathers over all,
And the last tottering pillars fall,
Take the poor dust Thy mercy warms,
And mould it into heavenly forms!

Give More Food To Pittsburgh Needy

PITTSBURGH (AP)—The number of Pittsburgh families receiving free government food jumped over 40 per cent in the first two months of 1961, reports Mayor Joseph M. Barr.

In a report released Saturday, the mayor noted that the number of needy families increased from 16,049 at the end of December to 21,111 by the end of February.

A preliminary survey has revealed that the number has already gone up another 20 per cent this month, Mayor Barr added.

"This sharp increase is due, apparently, to a continued worsening in employment, plus the fact that President Kennedy has ordered more desirable food items to the free food program," he theorized.

DISCUSS LAOS AT PEACE TALK

WASHINGTON (AP)—No indications of progress toward ending the Laotian crisis have stemmed from a lengthy U.S.-Soviet conference on cold war issues that threaten to become hot.

Secretary of State Dean Rusk and Soviet Foreign Minister Andrei A. Gromyko restated in detail the U.S. and Soviet positions during an extraordinary five-hour conference Saturday.

The two, accompanied by top advisers, began talking over lunch at the State Department at 1 p.m. and did not part until dusk.

A joint statement, couched in very general terms, said only that they hoped their "open and frank discussion will lead to a better mutual understanding of the positions and attitudes of both governments and may facilitate the consideration of outstanding problems."

Rusk is believed to have made it very clear to Gromyko, and thus to Soviet Premier Nikita Khrushchev, that the United States has no intention of allowing beleaguered Laos to be taken over by Communist rebels.

The United States has several times expressed deep concern over a Communist air lift of arms to pro-Communist Pathet Lao rebels, which threatens to lead to an arms race on both sides.

The U.S. position is that a truly neutral government should be established in Laos.

CUPIT SNARES \$5,000 OPEN

GULFPORT, Miss. (AP)—With almost mechanical consistency, Arkansas sharpshooter Buster Cupit has won the \$5,000 Gulf Coast Invitational Golf Tournament for the second straight year.

Cupit, a 33-year-old teaching professional at Fort Smith, Ark., matched par 71 over the soaked Great Southern Country Club course Sunday to win the abbreviated 54-hole tourney.

Tournament officials decided to cancel the final 18 hole round because of heavy rains and gusty winds plaguing the 6,016-yard course.

The par tying figure Sunday gave Cupit 65-70-71—206, a three-stroke bulge over professional Herchel Spears of Nashville, Tenn. Jackie Manes of Tuscaloosa, Ala., was next at 210.

One-time PGA great Johnny Revolta of Evanston, Ill., and R. L. Miller, a 49-year-old grandfather from Waycross, Ga., tied at 211.

FARMER GETS BIGGER SHARE FROM FOOD \$

HARRISBURG (AP)—There are signs that the wide spread between the producer and retail prices for farm commodities may shrink in the next few years.

During 1960, for the first time since 1951, the farmer's share of the consumer's food dollar increased. The boost was slight—from 38 cents in 1959 to 39 cents in 1960.

The margin during the current year is expected to remain static or narrow slightly in favor of the producer.

MARGIN WIDENED

The margin widened steadily between 1951 when farmers got 49 cents of the retail dollar, and 1959 when they got 38 cents.

The reason for the growth of the margin was the rapid increase in marketing charges. Prospects now are that marketing charges may decline relatively.

The biggest cost in marketing farm products is labor, about 48 per cent. Until last year it was the fastest growing item of cost.

More and more automation is taking over the jobs of labor. Added to that is a decline in the rate increase of labor wage costs.

LABOR COSTS UP

Unit labor costs increased nearly 25 per cent from 1950 until 1960. In that same period average hourly earnings of workers in marketing increased more than 50 per cent.

Unit labor costs are those for a specific amount of work. The reason that unit costs did not rise at the same rate as actual wages is automation, allowing a worker to do more work with less effort.

Some plants now handling agricultural commodities are almost completely automated. The impact of the technical changes has turned poultry from a Sunday luxury to a staple meat which is one of the least expensive on the market.

PACKAGING AT PEAK

The second biggest area of marketing costs is for fuel, electric power, containers, packaging materials, air and water transportation, and interest on borrowed capital, taxes and noncorporate taxes.

For a number of years packaging represented a fast-growing segment of marketing costs. Prospects now are that packaging charges have reached their peak. Automation again is making an impact.

Transportation costs also are declining relatively.

ROCKEFELLER'S DAUGHTER WEDS

NEW YORK (AP)—The youngest daughter of Gov. and Mrs. Nelson A. Rockefeller was married Saturday to William Justice Strawbridge Jr., of Haverford, Pa.

More than 500 persons attended the ceremony in Manhattan's Riverside Church at which the governor gave away Mary Clark Rockefeller, 22.

The bridegroom, a Navy ensign, is a native Philadelphian and a son of William Justice Strawbridge Sr. and Mary Vaux Strawbridge.

Mary Clark was the second of the governor's children to be married since he took office. Steven Rockefeller was married in 1959 to a former Rockefeller housemaid, Anne Marie Rasmussen of Kristiansand, Norway.

The string of Lerner-Loewe hit songs was basted together with stiff little conversations, obviously read from a prompter, by the composers and Sullivan. But in general it was an unusually bright and charming 60 minutes.

Celtics Open With Win; NBA Playoff

By THE ASSOCIATED PRESS
The well-rested Boston Celtics are off on the right foot in defense of their National Basketball Association playoff championship.

The Celts trimmed the weary Syracuse Nats 128-115 Sunday in a nationally televised game in Boston to take a 1-0 lead in the best-of-7 Eastern Division title series.

Syracuse had completed a three game sweep of its best-of-5 semifinals against the Philadelphia Warriors Saturday night, winning 106-103.

Meanwhile, in the Western Division the Los Angeles Lakers eliminated the Detroit Pistons in their best-of-5 semifinals Sunday. Los Angeles turned back Detroit 137-120 to take the series 3 games to 2.

The second game of the Celtics-Nats series will be played in Syracuse Tuesday night.

The Lakers open their best-of-7 Western finals with the Hawks at St. Louis Tuesday night.

EIGHT KILLED ON HIGHWAYS

By THE ASSOCIATED PRESS

Eight persons died in traffic accidents in Pennsylvania over the weekend, including a Northampton County couple struck by a car operated by a woman charged with drunken driving.

A train accident in which a McConnellsburg man was killed pushed the over-all weekend toll to nine dead from 6 p.m. Friday until midnight Sunday night.

John R. Reese, 52, of Palmer Township, near Easton, and his 47-year-old wife were killed Saturday by an auto as they walked from a garage toward their home. They were among five pedestrians who were killed in the traffic accidents.

Police said the Reeses had just finished putting their own car in a nearby garage when an auto operated by Mrs. Dortha E. Lambert, 45, of Palmer Township, swerved across the road and hit the couple. Mrs. Lambert was charged with drunken and reckless driving and involuntary manslaughter. She was held in \$5,000 bail.

New Pro Cage Loop Drafts 131 Players

CHICAGO (AP)—The American Basketball League which plans to begin its operations next fall drafted a total of 131 college players at the end of a two-day meeting Sunday.

The preparation of schedules and the question of playing rules which will list several changes from the way the game is played were referred to various committees for study.

Abe Saperstein, owner of the Harlem Globetrotters, who has been acting as commissioner of the new league, will operate the Chicago franchise. The league offices will be located in Chicago. Other members of the league are Washington, D.C.; Pittsburgh; San Francisco; Los Angeles; Kansas City; Honolulu, and Cleveland.

All of the players drafted were seniors, and each team was allowed two territorial selections.

Mount Bows 77 To 76 To South Dakota State In NCAA Consolation Tilt

Terry Slattery sank a 15-foot shot in the final 20 seconds of play to give South Dakota State a thrilling 77-76 victory over Mt. St. Mary's in the consolation game of the small college NCAA basketball tournament at Evansville, Ind., Saturday night.

Wittenberg of Springfield, O., took the national title by nipping Southeast Missouri 42-38.

Despite losing their last two tournament games, the Mountaineers concluded the most successful cage season in the history of the school with a dazzling 26-5 overall record which included the Mason-Dixon title and eastern regional NCAA championship.

LEAD SEE-SAWS

From start to finish in Saturday's game the lead changed hands throughout. At half time the Jackrabbits held a scant 41-40 lead.

Shortly after intermission Mt. St. Mary's took the lead twice before dropped back again 53-52.

Dick Talley landed a shot for the Mount at that point and then Coach Jim Phelan's outfit held the lead 68-62 until five minutes remained. South Dakota, sparked by Don Jacobsen, pulled up to a 73-73 deadlock. After Dave Maloney looped a foul for the Mount to make it 74-73, Jacobsen hit on a jump to put his team in front 75-74.

With less than a minute of play remaining John O'Reilly hit for the Blue and White only to have Slattery come through with his 15-foot toss in the last seconds to give South Dakota the decision.

Five Mount players hit in double figures with O'Reilly leading the pack with 16. Jacobsen topped all scorers with 28.

ST. FRANCIS SPLITS GAMES

The St. Francis Xavier School eagles (15-6) finished a successful season by splitting a pair of games over the weekend—defeating Our Lady of Perpetual Help, Baltimore, 40-29 on Saturday and bowing to the Alumni 34-28 on Sunday.

Dave Knox looped 14 points and Ronald Redding and John Keller 10 each in Saturday's victory.

Knox and Keller were again the leading point producers in Sunday's loss while Cletus Redding and Don Baker led the Alumni.

In a preliminary game Sunday the local Fifth and Sixth Graders topped St. Mary's of York 22-11, as Mike Baker sparked the winners with 13 tallies.

Frank Robinson Fined \$250, Costs

CINCINNATI, Ohio (AP)—Frank Robinson, slugging Cincinnati Reds baseball team outfielder, pleaded guilty in Common Pleas Court today to a charge of carrying concealed weapons and was fined \$250 and costs.

Under the law the Negro ball player could have been sentenced from one to three years in prison.

The charge against Robinson grew out of an argument in a restaurant here on Feb. 9. Robinson was accused of having drawn a pistol during the dispute.

He said at that time he drew the weapon after he saw a cook in the restaurant make a threatening motion with a knife. The cook claimed he did not get the knife until after Robinson drew the pistol.

Retains Lead In Women's Bowling

EASTON, Pa. (AP)—Leona Yezierski of Scranton was the only Class A leader to retain a lead in the second weekend of the Pennsylvania State Woman's Bowling Association tournament.

Miss Yezierski remained in first place in the singles event with 9 points.

Lincolnway of York moved into the team lead with 2.19 points. Harder's of Williamsport, last week's winner, sank to fourth place.

Youthful Jay Hook of the Cincinnati Reds and veteran Robin Roberts of the Philadelphia Phillies each gave up a total of 31 home runs during the 1960 National League season.

Diners Take Third Place In Tourney

The Varsity Diners took third place in the Y-Hi tournament held at Waynesboro by winning Saturday night's consolation game, defeating the Montgomery County Sentinels 95-84 in a thrilling overtime game.

With three seconds left in the regulation game the Diner called time out for one last shot which Hartwell made—a jump toss to knot the score at 81-81. The Diners then went on to win handily in the extra period. The Gettysburg outfit was without the services of its two top scorers, Joe Bierly and Ron Fitzkee.

A third-place trophy was presented the local squad. Individual trophies were given Hartwell and Fitzkee both of whom were picked on the second all-tournament team. Eckhart and Peckham won awards for third all-tournament team selections.

Behrman's defeated Morgan State for the tournament title.

MASON-DIXON SCHEDULE SET

RICHMOND, Va.—Dates for next season's tournaments and meets were set at a directors' meeting which closed out the three-day spring meeting of the Mason-Dixon Conference here Sunday.

Next year's regional basketball playoffs will be conducted February 24 at Lynchburg College and Catholic University in the Northern Division.

CONSIDER MSM

The tournament will come the following week and probably will be played either in Washington or Baltimore. However, Mount St. Mary's also is under consideration as a possible site under a proposed plan to rotate the tournament among various conference members.

Other dates set by the directors were these: Cross Country, November 18 at Washington College; soccer championship, November 18; wrestling, March 2-3, 1962; swimming March 1-3, 1962, at Gallaudet; track, May 11-12, 1962, at Johns Hopkins; golf, May 14, 1962, at Ingleside, Staunton; baseball, May 18-19, 1962, at Southern Division champion; tennis, May 19, 1962, at Southern Division champion.

The football coaches recommended and the directors approved a rule prohibiting exchange of game movies unless the third school involved gives prior permission.

BIG LEAGUE WILL OPERATE WITH 3 TEAMS

Officers were elected, the age limit for players was upped one year and plans advanced for the coming season at a meeting of officials of the local Big League Sunday afternoon at the Varsity Diner.

George Grawe was elected as the new president to succeed Patrick McDermitt who had served as president for three years. McDermitt was named as secretary-treasurer. Roy Goldsmith Jr. was chosen as vice president.

The league decided to operate with three teams, the VFW, Goldsmith Roofing and Varsity Diner, after the Exchange Club withdrew. Disposition of the Exchange Club players will be decided at the next meeting to be held Tuesday, March 28, at 7:30 p.m.

It was decided to play games each Tuesday, Wednesday and Thursday evening at 6:15 with Mondays and Fridays being used as rain dates. The league will open June 6 with each team playing a 12-game schedule. Adoption of the schedule is listed for the next meeting.

NEW AGE 21

The age limit for players was raised to 21 in order to permit more local boys attending colleges to take part.

The league, which will sponsor an entry in the South Penn League during the coming season, has called for all candidates to report to the Recreation Field on Sunday, April 9, at 2 p.m. for a practice session. Any candidates outside of the Big League are invited to seek berth.

Roy Goldsmith Jr. and Jerry Funt were named as coaches for the South Penn entry. A manager will be selected later.

CANADIENS WIN FOURTH HOCKEY TITLE

DETROIT (AP)—The Montreal Canadiens won their fourth straight National Hockey League championship Sunday night with a 2-0 victory over the Detroit Red Wings in their regular season finale.

The flying Frenchmen, who trailed the Toronto Maple Leafs by six points in February, finished two points ahead of the Leafs, 92 points to 90. Toronto, with a chance to win the title Sunday night if Montreal lost, tied New York 2-2.

The Canadiens open defense of the Stanley Cup they've won the last five years Tuesday at Montreal. They meet the third-place Chicago Black Hawks in a best-of-seven semifinal series. Toronto opens its best-of-seven semifinals with fourth-place Detroit at home Wednesday.

BOWER WINS TROPHY

Toronto goalie Johnny Bower ended Jacques Plante's long reign as holder of the Vezina trophy. Plante, a star in Montreal's late-season comeback, had won the award the last five years. The trophy goes to the goalie whose team allows the fewest goals in the season.

The Leafs received bad news late Sunday night that defenseman Bobby Baun had been hospitalized at New York and may miss the start of the playoffs. Baun suffered a six stitch cut to his chin and mouth against the Rangers.

Plante was the hero of Montreal's victory last night and must get much of the credit for lifting the Canadiens to the title.

MISSED 20 GAMES

The masked goalie missed 30 games after his November injury. When he returned in mid-February, the Canadiens, their championship dynasty threatened, seemed to sputter.

Bernie Geoffrion won the NHL scoring championship and the Art Ross Trophy with his 50 goals and 45 assists for 95 points.

In Sunday night's other game, the Boston Bruins wound up their poorest season with a 4-3 victory over the Black Hawks. The last-place Bruins' victory cost Black Hawk goalie Glenn Hall the Vezina Trophy. He finished by allowing 180 goals, four more than scored against Bower and his substitutes.

The Eagles won their fourth consecutive game in the Junior Optimist Basketball League and continued to hold a half game edge over the Lakers and Royals in games played Saturday at the Gettysburg High School floor.

Dave Bream with eight points, Ken Weikert with six and Harry Dick with six were the big producers Saturday as the Eagles downed the Globetrotters 22 to 13. Marshall Hines led the Trotters with five points.

The Celtics moved out of a tie for the cellar as they whipped the Hawks 18 to five, pushing the Hawks with an 0-4 record in the bottom spot. Tim Marvin's 10 points sparked the Celts to victory while Sam Teeter scored four of five points for the Hawks.

The Royals easily disposed of the Bullets 24 to 14. Craig Swinn netted six points for the victors while Brad Parish had the same number for the losers.

The Warriors were edged by the Lakers 19 to 16 as Daniel Bream notched seven points on three field goals and a foul. Eric Maitland had eight for the Warriors.

MAY ESTABLISH BOATING BOARD ON COMMISSION

HARRISBURG (AP)—Pennsylvania's Fish Commission meets today to consider establishing a special advisory board for boating.

Commission Director Albert M. Day said in advance of the session that he expected favorable action on the proposal. The plan has the backing of the Pennsylvania Federation of Sportsmen's Clubs.

The question of how best to enforce regulations and carry out programs connected with boating has been a hot one for some time. Not even the sportsmen's groups in the state are united.

REACHED LEGISLATURE

The issue has reached the legislature where a bill before the Senate proposes putting the jurisdiction under a boating board in the Department of Forests and Waters.

The sportsmen's federation, meeting here in convention over the weekend, backed a bill to keep boating law administration under the Fish Commission. A bill along those lines, with the federation's support, may be introduced in the Senate this week.

The federation wants to license all boats, from canoes to yachts, in six different classes with fees ranging from \$1 to \$12.

WANTS MINIMUM AGE

The Fish Commission is expected to support legislation which would have different licensing provisions but keep administration under the commission.

The commission wants to set up five licensing classes at costs ranging from \$1 to \$15. It also wants to set the minimum age for operating boats for water skiing and aquaplaning at 16—with consent of parent or guardian.

In other business, the federation supported a proposal recommending that the state reduce from 16 to 14 years its minimum age requirement for persons wishing to buy a fishing license.

REGULAR FEE

The sportsmen decided this age bracket should pay the regular \$3.25 license fee as a means of producing more revenue for the Fish Commission. Sales of fishing licenses have been declining steadily in recent years.

The delegates withdrew a resolution proposing a trout fishing stamp and another recommending a general fishing license boost. They also voted, 26-22, to support a bill, now in a Senate committee, that would eliminate the need for fishing licenses of people using fee fishing lakes.

There are about 250 such lakes in the state that charge fishermen a fee per person and a fee per pound of fish caught.

VARSIY FIVE TOPS FACULTY

The Varsity Club of Gettysburg High School, composed of seniors, defeated the Faculty cagers 51-39 in the sixth annual game Saturday evening.

A large crowd watched as the Varsity took the lead in the first period and led throughout. At half time the score was 25-14.

REP. REECE DIES SUNDAY FROM CANCER

WASHINGTON (AP) — Rep. B. Carroll Reece of Tennessee, one-time Republican national chairman and long allied with the most conservative forces of his party, is dead at 71.

(Congressman Reece came to Gettysburg in 1946 as national GOP chairman to take part in a battle anniversary observance and spoke in the National Cemetery.)

Reece died Sunday in the Bethesda, Md., Navy Medical Center, which he entered in January. The hospital reported death was caused by lung cancer.

His death left the house lineup at 172 Republicans and 260 Democrats, with five vacancies.

TRIBUTES PAID

Former Vice President Richard M. Nixon said at Los Angeles he felt a personal loss because Reece "was one of my most loyal friends and supporters." Nixon said "in his long career he established a record of success in political activity which has seldom been

Reece served as national chairman from 1946 to 1949, resigning his House seat to do so. Under his direction the GOP captured control of Congress in 1946 — the Congress President Harry S. Truman assailed as a "do-nothing Congress" in his successful 1948 presidential campaign.

CAGE SCANDAL QUESTIONING TO CONTINUE

By ED CORRIGAN
Associated Press Sports Writer

NEW YORK (AP)—Another parade of witnesses in the current college basketball scandal was scheduled to go before the district attorney's investigators today as the probe continued to widen.

"We will be questioning several players and others from various colleges under investigation," said a spokesman for the district attorney's office.

So far two Seton Hall players and one from the University of Connecticut have been accused of accepting bribes to hold down the point totals of two specific games. PAID \$1,000

The district attorney said Henry Gunter and Arthur Hicks, both 21, of Seton Hall, were paid \$1,000 each for shaving their team's points in a game against Dayton in Madison Square Garden on Feb. 9.

The University of Connecticut player, so far unidentified, was paid \$1,500 to hold down the score of his team in a game against Colgate, in Hamilton, N.Y., on March 1, the district attorney said.

Two accused fixers have been

that was not even opposed by Democratic candidates in his staunchly Republican district, one of two GOP districts in Tennessee. Reece was born at Butler, Tenn., one of 13 children.

arrested. They are Aaron Wagman, 28, of New York, and Joseph Hacken, 41, also of New York. Both have previous gambling convictions.

PROTEST PLAYERS

Two assistant district attorneys—Alfred J. Scotti, head of the racketeers bureau, and Peter Andreoli—head the investigation and apparently they want to give protection to the players questioned. They refused even to say where they would quiz today's witnesses.

This seems to be the wish of District Attorney Frank Hogan, who also handled the investigation in the 1951 scandal that involved 33 players from some of the top teams in the country.

Hogan, insiders say, felt he could have gotten more convictions in the 1951 case if there hadn't been so much publicity given to the players.

12 CONVICTS IN EASTERN PEN REFUSE FOOD

PHILADELPHIA (AP)—Twelve convicts, in a segregated block awaiting trial on charges stemming from an attempted break at the Eastern Penitentiary last Jan. 8, continued a hunger strike into its 13th day today. They are protesting the maximum security conditions which limits their privileges.

Warden William Banmiller disclosed Sunday that 23 of the 27 prisoners who took part in the attempted break started the strike but since then 11 have dropped

out. The latest drop came Sunday night when one prisoner had his first solid food since the strike began.

Prison officials said the convicts are being checked daily by a doctor. A hospital spokesman said their physical condition still is good.

OFFER DAILY MEALS

Banmiller said the prison is offering them three meals a day. "They are drinking water," said Banmiller, "and they are not allowed any recreation, so they are not burning up energy. Some of the heavier fellows have lost only seven or eight pounds. A person can go without food for 30 days. If any of them show signs of serious effects, they will be fed intravenously."

Arthur T. Prasse, Pennsylvania commissioner of corrections, said the convicts were using the strike as a means of showing they want release from the maximum security cellblock to mingle with the rest of the prisoners and get the same privileges such as use of radios and recreation among other things.

Called "POUTING"

"They just want to be noticed," said Prasse. "It's just a way of pouting. When they need forced feeding, they'll get it."

The prisoners have sued Banmiller in court, charging cruel and unusual treatment. Most of them involved are serving long terms for crimes of violence, including murder and armed robbery.

Meanwhile, Asst. Dist. Atty. Richard A. Sprague, who plans to arraign the prisoners this week on the attempted break charges, said he had asked Banmiller to submit a report on the hunger strike to

him today. The district attorney added that two of the alleged instigators in the strike had been identified to him: Dominic Codispoti, 30, and Manuel Madonal, 28, both of whom were accused of being among the leaders of the attempted break which resulted in the stabbing of two guards and the taking of eight hostages. State and local police ended the break about two hours after it started.

Prasse said officials would remain firm in insisting that the 27 men be segregated from the prison population until after their trials.

KARACHI, Pakistan (AP)—Averell Harriman, President Kennedy's roving ambassador, conferred today with President Mohammad Ayub Khan of Pakistan and delivered a letter from Kennedy.

MORE BRINKHOFF GENEALOGY

The Brinkerhoff genealogy stretching from Holland to New York — thence on to New Jersey and from there into southeastern Pennsylvania is continued at this time.

After he and his family became a part of the Low Dutch Settlement of the Conewago in 1770, Joris (or George) Brinkerhoff took an active part in matters pertaining to church and state. He was an elder in the Reformed Dutch Church of the Conewago and his youngest son and namesake became a minister in that denomination. In the matter of his duty as a citizen it is enough to say that, of his seven sons, six fought in the War of the American Revolution.

In the "Upper" Burial Ground of the Reformed Dutch Church of the Conewago are the graves of Joris (or George) Brinkerhoff and his wife. In 1885 the original markers at the grave of the old pioneer and Martina (Boyard) Brinkerhoff, his wife, were replaced by a new one — erected by their descendants. The inscription follows:—

GEORGE BRINKHOFF

1. "In memory of George Brinkerhoff and Wife. The first of the name that settled in Pennsylvania in 1770. George Brinkerhoff, Born October 9, 1719, Died January 3, 1810. Aged 90 years, 2 months and 24 days.

Joris (or George) Brinkerhoff owned a number of slaves and in his will, which was written June 22, 1807, he freed all of them. It is interesting to note that, according to a local tradition, there is a slave graveyard on the old Brinkerhoff farm. If this would be authenticated it would be the third such burial ground in this County.

In the "Adams Centinel" for Wednesday, January 10, 1773, the obituary of Joris (or George) Brinkerhoff appears as follows:—"Died, January 3, 1810, at his farm in Strabane Township, this County, Mr. George Brinkerhoff, aged 90 years, 2 months, and 13 days. He was born in the state of New Jersey, and had been an inhabitant of Strabane Township for nearly forty years. He had seven sons, and there are now living forty-six of his grandchildren and forty-five of his great-grandchildren."

CAME FROM NEW JERSEY

1. James (5) Brinkerhoff, the eldest son of Joris (4), came from Bergen County, New Jersey, with his family to southeastern Pennsylvania. He served in the War of the American Revolution and after the peace moved on to new lands. James (5) Brinkerhoff died in May, 1813. He was married, apparently while still living in New Jersey, to Catrinen Voorhees.

2. Roeliff (5) Brinkerhoff, the second son of Joris (4), was born November 10, 1748, and died February 28, 1830. Roeliff (5) emigrated with his family to Pennsylvania in 1770 but in the autumn of that year he returned to New Jersey and married Baeltie (Isabella) Demorest, the daughter of David Demorest (or Demoree) of Bergen County, New Jersey. Apparently Roeliff (or Ralph) Brinkerhoff remained in New Jersey for a time after their marriage for this child, Martynie (6) Brinkerhoff was baptized there on September 13, 1772.

RETURNED TO COUNTY

Sometime after the birth of his daughter Roeliff (5) and his family returned to what is now Adams County, Pennsylvania. In 1773 he was living on his own farm in the Conewago (Low Dutch) Settlement. After the Revolutionary War, in which he saw hard service, Roeliff (5) felt the urge to move on and in 1793 he, with his family, emigrated to New

York. Included in this company was Jacob (5) Brinkerhoff, one of Roeliff's younger brothers, and eight other families from the Low Dutch Colony. Among the latter were Luke Brinkerhoff, a cousin of Roeliff, and Jacob (5) Brinkerhoff, the son of Jacob (4), a younger brother of Joris (4) Brinkerhoff, the pioneer Pennsylvania Brinkerhoff. The little party left Adams County, Pennsylvania, on April 30, 1793, and arrived in Cayuga County, New York, on July 4, 1793.

Roeliff (5) Brinkerhoff and his wife, Baeltie (Demorest), were the parents of the following children:—

1. Martynie (6) Brinkerhoff—born in Bergen County, New Jersey, August 20, 1772 — died May 1843.

2. David R. (6) Brinkerhoff — baptized March 17, 1776, in York (now Adams) County, Pennsylvania, died September 15, 1882.

3. James (6) Brinkerhoff—baptized June 14, 1778, in York (now Adams) County, Pennsylvania, died unmarried.

4. Margaria (6) Brinkerhoff — baptized June 4, 1780, in the Low Dutch Colony of the Conewago—died 1867.

5. Amahie (6) Brinkerhoff — baptized November 8, 1782, in the Low Dutch Settlement — no further data.

6. Joris R. (6) Brinkerhoff — born February 19, 1785, in what is now Adams County, Pennsylvania — died November 7, 1849.

7. Hendrick R. (6) Brinkerhoff — born in the Low Dutch Settlement of the Conewago on September 28, 1787 — died April 30, 1844.

8. Maria (6) Brinkerhoff — baptized in what is now Adams County, Pennsylvania, in June, 1770 — died unmarried.

Hendrick (5) Brinkerhoff, the third son of Joris (4), was born in Bergen County, New Jersey, July 4, 1751. He came with his father to the Low Dutch Settlement of the Conewago, in what is now Adams County, Pennsylvania, and lived there until his death. He (Hendrick) was a soldier in the War of the American Revolution and served throughout the entire struggle. He died shortly after the close of the war as the result of disease contracted while in the army. He was named in his father's will as one of the executors. Hendrick died unmarried and is buried supposedly in the "Upper" Low Dutch Graveyard in a grave that is now unmarked.

The historical and genealogical account of the Brinkerhoff family will be continued in this column next week.

HOLD TRUCKER IN DEATH OF 3 IN OHIO CRASH

SANDUSKY, Ohio (AP) — A truck driver was to be arraigned today on manslaughter charges in the deaths of three Northwestern University students who were killed in a crash on the Ohio Turnpike.

The students were among five who were in the small, imported (Simca) station wagon, when the accident happened six miles east of the Norwalk-Sandusky Interchange early Sunday.

The turnpike patrol said the truck driven by Albert Himes, 33, of Luthersburg, Pa., rammed the rear of the station wagon, which flipped over and went off the highway.

TWO IN HOSPITAL

Keene S. Strobel Jr., 18, of Everett, Wash., apparently was killed instantly. William W. Hewett Jr., 23, of Cincinnati, and Walter C. Houston, 20, of Ridgfield Park, N. J., died about two hours later in Fisher Titus Hospital, Norwalk.

Two others were in the hospital. Carl A. Erdman, 18, of Decatur, Ill., was reported in poor condition with internal injuries. Lynn M. Notherdurf, 18, of Maquoketa, Iowa, was in fair condition with a concussion, the hospital reported.

Himes was treated at the hospital then taken to Erie County Jail at Sandusky, where he was held without bond on manslaughter charges pending today's hearing. His semi rig, hauling eggs from Iowa to Altoona, Pa., turned on its side.

Littlestown

LITTLESTOWN—"The Love of Jesus" was the subject of the junior sermon delivered for March by the Rev. Glenn Plinbaugh, pastor, at the Sunday worship service in Redeemer's United Church of Christ. The regular morning message was on the subject "Glorious in Death." The Junior Choir sang the anthem, "Two Wings," Johnston, and the Cherub Choir anthem was "God Is Our Shepherd," Fuller. The altar flowers were placed by Mr. and Mrs. Clyde W. Crouse in memory of their son, Edward Lee.

The Young Men's Bible Class of Redeemer's Church is selling small peanut butter eggs at 90 cents per pound. The class also has birthday calendars available at 50 cents each.

The following were judged winners in the annual stewardship contest which closed recently at Redeemer's Church: Christine Long, Chris Rebert, Linda Pitten-

ers, all freshmen, to New York, where they were to spend five days of their spring vacation.

The Women's Guild of Christ United Church of Christ placed rosebuds on the altar in honor of Debbie Ann Crabbil, infant daughter of Mr. and Mrs. Joe C. Crabbil; Mary Catherine Peterson, daughter of Mr. and Mrs. Kenneth Peterson; Susan Ann Strock, infant daughter of Mr. and Mrs. David R. Strock, and Sheri Ann Riddle, infant daughter of Mr. and Mrs. Barry E. Riddle, at the worship service on Sunday morning. The altar flowers were presented by the Altar Guild. The bulletins were given in memory of Jacob M. Wildasin by the children. Bulletin sponsors should contact Lester L. Hilker. The anthem "God So Loved the World" was sung by the choir. The sermon was delivered by the pastor, the Rev. G. Howard Koons.

Christ Church consistory is calling a congregational meeting at the 10:30 a.m. service next Sunday to secure the approval of the congregation to proceed with plans to build the new Church Church on the hill of the parking ground at an approximate cost of between \$200,000 and \$250,000 under the supervision of Architect J. Alfred Hamme of York. The annual confirmation service will be held next Sunday at 10:30.

The choir of Christ Church will rehearse Tuesday evening at 7:30 o'clock. The catechetical class will meet at 1:30 p.m. on Saturday at

Says Railroad Woes On Rise Since World War II; Must Have Help In Order To Survive

Editor's note: Railroad commuting problems touch in one way or another the lives of millions of Pennsylvanians. Russell C. Landstrom spent a week surveying the situation. He tells what he found in a five-article series, of which this is the first.

By RUSSELL LANDSTROM
PHILADELPHIA (AP) — The roots of this state's commuter problems go back to the dawn of the tumultuous 20th Century.

In the beginning, what we now know as commuting or suburban service was something of a stepchild.

There were no commuter trains as such at all, in the pre-World War I era, only locals, carrying mail, express, produce and poultry—and passengers.

It was a give-and-take accommodation service, a sideline, an auxiliary, quite informal. Some express trains carried short-haul riders. This was considered pretty fancy traveling.

POPULATION SHIFT
As population shifted to outlying areas railroads thought it fairly simple matter to put on more locals, or longer ones, to take care of the additional riders.

In the words of one railroad executive, nearly everybody figures it was extra business that wouldn't really cost much more to handle.

What a hope.
Today, commuting and related problems, one way or another, touch the lives of millions of Pennsylvanians and their neighbors. In the modern urban sprawl the interlocking of town with town, city with city, railroad with bus line and both with private car route means that only in old-fashioned pastoral isolation could Mr. and Mrs. Pennsylvania be unaffected by their problems.

The state's travel woes have been on the rise, especially since World War II. The flight from the bigger cities and from some of the other ones, too—resulted in journeyings that would have been considered next to impossible 30 to 40 years ago. Trips of 100 miles one way, and even more, are made by some persons. As a regular thing, too.

NATIONAL VEXATION
How to cope with the whole thing, in Pennsylvania and elsewhere, has become a national vexation.

The railroads say they must have help, that commuting is now a public responsibility. Many public officials agree.
The Pennsylvania Railroad, the nation's largest, estimates the loss on its commuter lines in the Philadelphia region at \$5 million a year, and a half million more in the Pittsburgh area. The PRR would like to fold up all its commuter train service in the five-county area of southwestern Pennsylvania. The Pittsburgh region hopes to come up this year with a solution of its mass transportation troubles.

READING RR LOSS
The Reading Railroad, also having six commuter branches, all in the Philadelphia area, puts its yearly loss at \$2.5 million.

Both the PRR and the Reading say their losses are but slightly whittled down by a subsidy from the Passenger Service Improvement Corporation, a nonprofit organization through which the city of Philadelphia pays the railroads for cheaper fares and more trains. The bitter winter heaped extra burden on the railroads. The Reading reported that direct costs of snowstorms and extreme cold amounted to \$1,356,000. The PRR hasn't yet counted the cost. It may

be six to eight weeks before all the returns are in.

ELECTRIC CARS
The Reading operates commuter branches to Norristown, Chestnut Hill, Lansdale and Doylestown, Hatboro, Fox Chase and Newtown, and West Trenton. All are electric, multiple unit cars, except those used on the Fox Chase run. Diesels are used there. In each 24-hour period of the five-day work week 324 trains make 162 round trips, carrying about 20,000 commuters each way. The Philadelphia suburban region, defined as the area within 32 miles of the city, has 97 stations.

The average commuter trip on the Reading is rather short—14.9 miles. The average traveling time is 27 minutes. The average revenue per passenger is 57 cents.

On the Pennsy, average commuter traveling distance is 10 or 11 miles in this area, and 18 to 20 miles generally, that is taking in the New York and Jersey coast regions.

COMMUTERS DECLINE
A Reading spokesman said the number of commuters has declined in recent years but has tended to become stabilizer lately.

In 1952 the Reading carried 7,420,000 passengers. In 1959, the last year for which figures are available, it carried 5,938,000.

This decline is attributed to increased use of the automobile for commuting and the decentralization of industry.

"There has been a great improvement in limited access highways and people can get into the city faster on the expressways," the Reading official said. "Parking, of course, is another problem."

In the last nine years the Reading has increased fares four times: In 1952, 15.9 per cent; in 1955, 10 per cent; in 1958, 15 per cent; in 1960, 25 per cent. The last one still has not been approved by the state public utility commission. If that approval is withheld, the railroad is pledged to make refunds.

COMPLEX SITUATION
Figured on a cumulative basis, those increases would come to 65.9 per cent. The Reading spokesman says it cannot be done that way, however, because "the rate structures are too complex and any attempt to make a cumulative reckoning would give a wholly wrong idea."

The spokesman said fare increases have been in line with much larger increases in wages, and that this year wage increases will not be made up by any fare increases.

A PRR official said that actually commuter fares in his system are now only about 14 per cent above what they were in 1918, "and we are losing money on it."

He explained: "Eighty per cent of the Pennsylvania Railroad's equipment and crews are needed only 20 hours in a week—at peak times."

"Although fewer people may be using commuter trains generally, the peak loads are increasing. On one line, at one time of day, the passenger load is up as much as 149 per cent. So we have a high cost volume in peak loads and a falling off at other times."

WASHINGTON (AP)—The Air Force says it has recovered the classified cargo jetliners from a C47 aircraft near Williamsport, Pa. last Tuesday. In announcing this Saturday, the Air Force expressed its thanks to the Williamsport area new media, the state police and the Pennsylvania Civil Air Patrol for their cooperation.

Preferred Jail To His Nagging Wife

PHILADELPHIA (AP) — When police arrested Albert Torres, 20, Sunday on charges of possessing burglary tools, he said he tipped officers off on himself because he wanted to spend the night in jail to escape what he called a "nagging wife."

Torres got his wish. Police quoted him as saying he told his wife that if she didn't cut out the nagging he'd get himself arrested. She didn't believe him, he said.

NARLESKI AND MOSSI SHINE IN DETROIT WINS

By MIKE RATHET
Associated Press Sports Writer

Injury-plagued Don Mossi and Ray Narleski are reforming the combination that made them the relief pitching duo in the majors. The former bullpen specialists who made 82 appearances between them for pennant-winning Cleveland in 1954, then continued to toil spectacularly until traded to Detroit in 1958, picked up victories Sunday as the Tigers won a pair of exhibitions.

Mossi, who compiled a 9-8 record with a 3.47 earned run average although slowed by a sore arm in the 1960 campaign, hurled effectively for five innings and combined with Paul Foytack to six-hit Washington 14-1.

OTHER GAMES
Narleski, sidelined for the entire season last year with a ruptured disc in his back, allowed three runs in his first inning before settling down for two stanzas of scoreless relief as the other half of the Tigers' squad edged Philadelphia 10-8.

In other games, St. Louis whipped Pittsburgh 8-0, Kansas City blanked the Chicago White Sox 2-0, Cincinnati outlasted Milwaukee 13-10, Minnesota Twins bombed Los Angeles Dodgers 10-2, Cleveland beat San Francisco 15-9, Baltimore edged New York 7-6 and Chicago's Cubs split, defeating the Los Angeles Angels 10-8 while losing to Boston 6-3.

Charley Maxwell hit two homers and a double in Detroit's 16-hit outburst against the Senators while home runs by Larry Osborne and pinch hitter Bubba Morton in an 18-hit attack gave them their victory over the Phils. Tony Curry drove in five Philadelphia runs with three doubles.

WON IT EARLY
The Cards won it early, lacing Pittsburgh starter Harvey Haddix for five first-inning runs on singles by Julian Javier, Bill White, Ken Boyer, and Stan Musial, a double by Daryl Spencer and two passed balls. Bob Gibson, Ron Kline and Lindy McDaniel blanked the world champions on seven hits—four by Bill Mazeroski.

Rookie Norm Bass started the string of shutout frames against the White Sox, pitching three-hit ball over five innings before Dick Wickersham and Dick Hall finished up. Andy Carey drove in one Kansas City run with a single. Frank Cipriani accounted for the other with a sacrifice fly.

Wally Post's third spring homer was the key shot of a six-run eighth as the Reds piled it on against the Braves after forging ahead with a seven-run second. Homers by Zorro Versalles and Harmon Killebrew triggered the Twins' triumph over the Dodgers in a rain-shortened six-inning contest.

ORIOLES WIN
Eight runs in the fourth inning—three on a homer by John Romano and another trio on Willie Kirkland's double—got the job done for the Indians against the Giants. Yogi Berra's throwing error allowed Gus Triandos to score with the clincher for Baltimore as the Yankees lost their eighth in nine games.

Danny Murphy's two-run homer in the ninth inning gave the Cubs their victory over the Angels, but the long ball cost them the Boston game with Jim Pagliaroni and Gary Geiger belting three-run circuit shots for the Red Sox.

5 Distinguished Clergymen Write Pieces For Holy Week

Five distinguished clergymen have written special articles on five phrases uttered by Christ while on the Cross. They were written at the request of The Associated Press and will be published in The Gettysburg Times during Holy Week beginning Monday, March 27.

The authors of these five pieces are:

FRANKLIN CLARK FRY is president of the United Lutheran Church in America and the Lutheran World Federation, chairman of the central and executive committees of the World Council of Churches, and chairman of the policy and strategy committee of the National Council of Churches. He is a 1925 graduate of the Philadelphia Lutheran Theological Seminary.

BISHOP RICHARD C. RAINES, of Indianapolis, is Methodist-Episcopal head of the Indiana area and president of the Methodist Board of Missions. He directed for 12 years the Commission on Methodist Information, and now is chairman of a committee of bishops drawing up the program for Methodist advancement for 1960-1964. He is a graduate of the Boston University School of Theology, and was elected a bishop in 1948.

He was ordained a priest in 1910 after studying at the St. Mary's Seminary in Cleveland, consecrated a bishop in 1931 and elevated to archbishop in 1950.

"I think we're good enough to win again," he said. "We've got the material and the desire. It won't be easy. It wasn't easy last year, either. We've got a good front line squad and our young players have looked exceptionally well this spring. I see no reason why we won't be even better than we were last year."

His toughest job, Houk feels, is to fill out his 10-man pitching staff.

"Our pitching staff is better than lots of people think," he said. "We have six certain starters in Whitey Ford, Bob Turley, Art Ditmar, Ralph Terry, Jim Coates and Bill Stafford. The last is a kid who made a good impression after we brought him up from Richmond last August."

ST. PETERSBURG, Fla. (AP) — Ralph Houk, the freshman manager of the New York Yankees, is not in an enviable spot although it might be argued that he has the most coveted field job in baseball. Even if he should win the flag in his first year, there's bound to be one critic who will say:

"So what? Casey Stengel won it five years in a row."

Of course, the big question is: Can the Yankees repeat? Houk did not attempt to dodge the query.

SHOULD BE BETTER
"I think we're good enough to win again," he said. "We've got the material and the desire. It won't be easy. It wasn't easy last year, either. We've got a good front line squad and our young players have looked exceptionally well this spring. I see no reason why we won't be even better than we were last year."

His toughest job, Houk feels, is to fill out his 10-man pitching staff.

"Our pitching staff is better than lots of people think," he said. "We have six certain starters in Whitey Ford, Bob Turley, Art Ditmar, Ralph Terry, Jim Coates and Bill Stafford. The last is a kid who made a good impression after we brought him up from Richmond last August."

3 IN BULLPEN
Houk is just about ready to end his experiment to convert Ryne Duren into a starter. Along with the bespectacled right-hander in

Fixed Tickets For Friends; Gets Fee

ST. LOUIS (AP)—St. Louis police arrested a civilian clerk in the department who admitted altering tickets given to friends and acquaintances.

He is Joseph T. Drmacic, 43, a traffic violation bureau clerk since 1950.

Police quoted him as saying he fixed some tickets "for a few bucks apiece, others just as favors."

He estimated the practice brought him between \$25 and \$30 a week.

WASHINGTON (AP) — President Kennedy will send Congress a special message on foreign aid Tuesday, hold a news conference Wednesday and may send Congress another message Thursday proposing budget revisions.

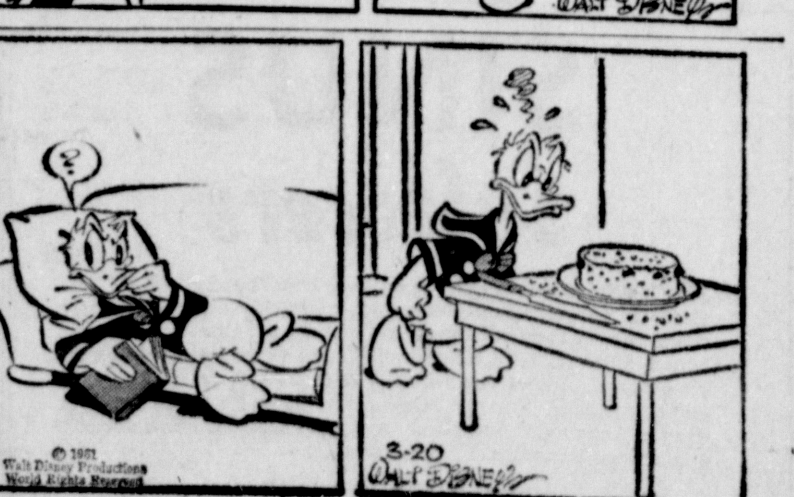

There will be no live television or radio coverage of Kennedy's 4 p.m. news conference.

Science Shrinks Piles New Way Without Surgery Stops Itch—Relieves Pain

New York, N. Y. (Special) — For the first time science has found a new healing substance with the astonishing ability to shrink hemorrhoids, stop itching, and relieve pain — without surgery.
In case after case, while gently relieving pain, actual reduction (shrinkage) took place.
Most amazing of all—results were

Let's Look At The Record

SOUTH OF THE BORDER

JFK Validates Eisenhower's Aid Pledge
New Self-Help Theme Worth Try

By JIM DAN HILL, Ph.D.
President, Wisconsin State College
Superior

PRESIDENT KENNEDY'S recently announced, ten-year Latin aid program is following rather than anticipating the tide of events south of the border.

The announcement of his program was the main dish, so to speak, at the White House diplomatic reception last Monday.

The Latin-American ambassadors and chiefs of delegations to the organization of American states were the featured guests. Congressmen from foreign affairs committees of both houses

were also present. Actually, the much publicized Kennedy program is little more than an implementation of President Eisenhower's Bogota pledge of \$5,000,000 in aid.

Mr. Kennedy does sound a long overdue and welcome note on one point. It will take, he thinks, more than American dollars to modernize Latin America. He insists on the need for a maximum of self-help. This must take the form of improved tax collections, improved land use and improved administration and financial practices in their own, internal, governmental affairs.

IN THE LIGHT of a recent Latin-American conclave in Mexico City, this new rhythm in the American foreign aid theme song is going to be about as popular as Bach at a rock and roll riot.

A week prior to the above mentioned, White House diplomatic soiree, there was convened in Mexico City a so-called Latin-American Conference for National Sovereignty, Economic Emancipation, and Peace.

As one might well suspect by the long, high sounding title of catch phrases, the entire operation appears inspired and managed by Soviet Communism. Some delegations, such as that from Cuba, were obviously present with official sanction of their own governments. Others, such as the Mexican delegation, under the leadership of ex-President

(1934-40) Lazaro Cardenas, were representing political factions currently not in power within their own nations.

Most of the speeches were pro-Communist and inflammatory in their hostility toward the United States. The wife of Cuba's Raoul Castro received a wild ovation for her luridly extreme address. The convention passed the usual resolutions against the United States and hoped for a brighter economic future by tapping the markets of the Communist bloc of nations.

TO SAY THAT AMERICA was friendless in Mexico City would not be true. On the opposite side of the city Mexico's National anti-Communist Party staged a smaller, quite dignified, and less spectacular convention. But it was the Communist pow-wow that made the more impressive news. In Cuba such affairs are expected. But Mexico is presumed to be our best friend as well as closest good neighbor.

That Mexico's most popular ex-President is blessing the Soviet-inspired movement unquestionably disturbs the administration. But suggestions of reforms toward self help are sure to be labeled by such critics as conclusive examples of Yankee dictatorship—Gringo imperialism.

IN DISTANT CHILE there has been in progress for the past three years the sort of self-help program Mr. Kennedy would like to see in all nations that expect aid from Uncle Sam.

In a grim battle to stabilize Chilean economy and stop further inflation, then about 110 pesos to the dollar, President Jorge Alessandri Rodriguez adopted an austerity program. In his lower congressional House of 45 senators, he had ample support in this program from three of the nation's six major political parties. He has made substantial progress.

His supporting parties were the Radicals (actually middle of the road), the Liberals (actually conservatives) and the Conservative party, which many would consider reactionary. In the other direction the other three parties are the Democratic Christians (just left of the Radicals), Socialists, and Communists, who became legally recognized as a party in 1958.

In the Chilean national election only a week prior to President Kennedy's diplomatic reception of Latin American diplomats, the big issue was President Alessandri's self-help, hold-

DEATHS

SAN FRANCISCO (AP) — Daiming Lee, 58, editor and publisher of the Daily Chinese World in San Francisco, died Saturday after a long illness. He was a native of Kauai, Hawaii, and was educated in Honolulu.

TOPEKA, Kan. (AP) — Dr. Bryan S. Stoffer, 64, president of Washburn University since 1942, died Sunday after a long illness. He previously was president of Doane University at Crete, Neb. He was born in North Georgetown, Ohio.

WARSAW, Ind. (AP) — Ralph O. Nussbaum, 76, former editor of the Warsaw Times-Union, died of a heart attack Saturday in his home at nearby Winona Lake.

the economic-line policies.

HIS THREE SUPPORTING parties will control both houses of the Chilean Congress. The final score will not be known until the Tribunal Calificador validates the returns.

But it is now fully apparent that the Communists have won two or three senate seats. They have also picked up 10 or 11 seats in the House of Deputies. Previously they held no seats in either house. And this trend is in spite of all the help America poured into Chile incident to the recent earthquake.

In brief, self-help is going to be a difficult package to sell to most nations south of the border. But the idea is worth a hard try.

GET A QUALITY DEAL FROM A QUALITY DEALER

Buying a USED CAR?

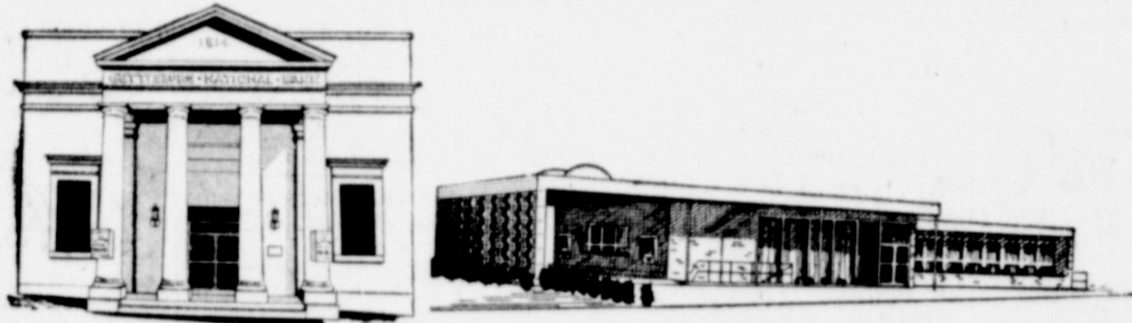

Timely Tips That Can
Help Protect Your
Investment!

1. Choose your dealer carefully.
2. Buy only from a well established reputable dealer.
3. Buy only from a dealer who maintains his own adequate facilities to service the car you buy.
4. Insist on a WARRANTY in writing that can be "backed-up."
5. BUYING from a NEW CAR DEALER IS YOUR BEST BET. . . . Most new car dealers sell locally owned trade-ins, not Used Cars obtained from Auto Auctions or distress merchandise from large cities.
6. Insist on knowing where the Used Car came from. "Ask who was the previous owner." Most new car dealers will be happy to tell you and invite you to contact the previous owner.
7. New Cars bought from Used Car Dealers . . . REMEMBER, only the New Car Dealer is authorized to extend a FACTORY WARRANTY to a buyer, NO ONE ELSE.

Today We Celebrate Our 147th BIRTHDAY!

On March 20, 1814, a small group of Gettysburg and Adams County citizens met and established Gettysburg's first bank, the institution known today as the Gettysburg National Bank on York Street.

For nearly a century and a half our bank has served proudly and faithfully tens of thousands of the good people and business establishments of our thriving community, even to the sixth generation of many families whose ancestors were among our first depositors. Our 147th year, just concluded, was the most successful in the bank's history, and our directors, officers and entire staff are proud of the privilege of serving you—our many patrons old and new.

We now have the new West Street Offices to bring you all of Gettysburg National Bank regular services, to bring you complete, more convenient banking service.
